SEAREX Worldrecord

08.11.2008

The SEAREX Offshore Racing team set a new worldrecord for the Powerboat P1 Evolution category

Although the Powerboat P1 world championship has ended, the only German team in P1´s evolution category, the SEAREX Offshore Racing team of Siegfried Greve, know´s no breaks.

With the "Cranefields Wine", a SEAREX Falcon 40 powered by two Mercury V8 compressor engines, owner and Driver Siegfried Greve first had followed end of October an invitation of one of germany´s leading boat – fairs, the "Hanseboot" in Hamburg, to introduce/present his current Worldchampionship boat and the Powerboat P1 Series to a huge amount of visitors at the fairground.
